# African-European collaboration on digitalisation and innovation

EU-Project: AEDIB|NET

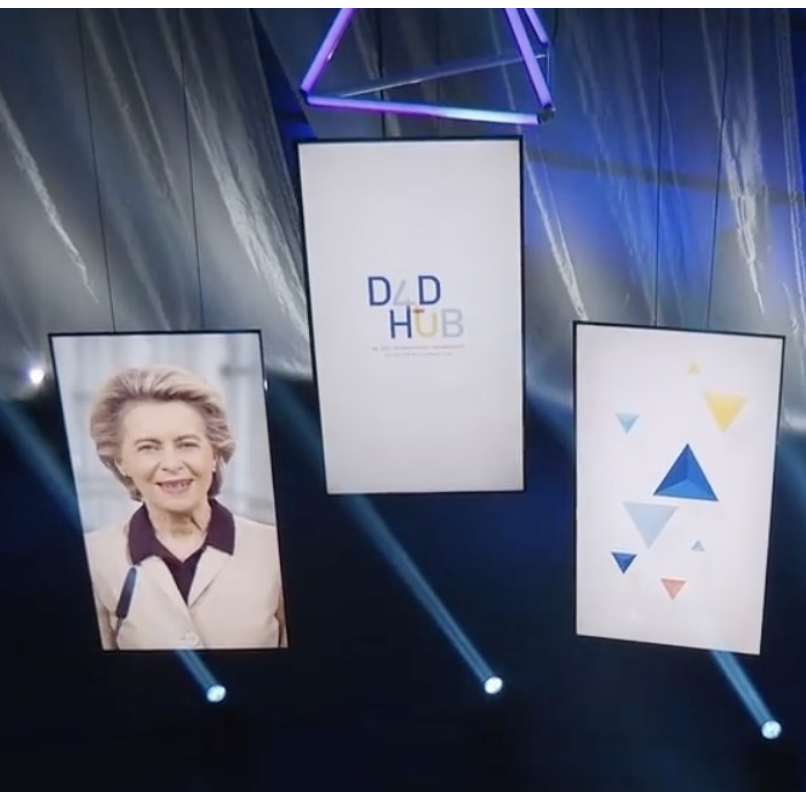

AEDIB|NET has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 101017105

# **BRIDGING DIGITAL INNOVATION ECOSYSTEMS ACROSS AFRICA AND EUROPE**

# From vision to reality

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 101017105.

## December 2020:

The EC president launched the „African-European Digital Innovation Bridge“ (AEDIB) as a political initiative under the D4D Hub.

-> Single market for digital innovation in Africa and Europe.

## February 2021:

To kick-start AEDIB, the EC set up the **AEDIB|NET** project as a pilot project via the European Union's **Horizon 2020 programme**.

**Project value:** 4,88 Mio EUR (02/2021-01/2024),  
**Coordinator:** GIZ of a consortium of 13 members.

## From vision to reality

**EU-AU Summit** (17-18 Feb 2022) has launched AEDIB as a Summit deliverable under the EU-Africa Investment Package and flagship in digitalisation.

... with strong European and African partners
